Geofizyka Toruń S.A
Ul. Chrobrego 50
87-100 Toruń
Poland

July 30, 2023

This certificate confirms that the ATS 60 Vibrators mounted on Birdwagen MARK 4 buggies with the following serial numbers:

S/N 632 manufactured 2006
S/N 633 manufactured 2006
S/N 666 manufactured 2007
S/N 667 manufactured 2007
S/N 668 manufactured 2007

are special machinery for seismic vibrating and have been rebuilt between April and July, 2023 with the guidance and support of the manufacture, Industrial Vehicles International, Inc. The vibrators are hereby certified by the undersigned to meet the technical parameters of the ATS 60 configuration as stated in the published technical brochures for the Birdwagen MK 4 with ATS 60 vibrator.

Sincerely,

James M. Bird, Jr.
President
Industrial Vehicles International, Inc.
